

Liverpool  
City Council

Applying for **FREE** school meals  
has just been made easier!

Liverpool City Council has introduced a new online application and eligibility checking service for free school meals. It's quick, easy and you will receive instant confirmation.

**Eligible but don't want your child to have free school meals?**

By still applying, you enable your school to receive additional government funding which is awarded for each eligible pupil to support their learning and education. This is awarded even if you don't want your child to receive a free school meal.

If you are aged 16 -18 and studying at a sixth form college or college of further education you can still qualify.
