Lent is a time to look carefully, so we can repent and change for the better. Looking carefully can also help us to appreciate things more. Why not practise by getting involved in *Mission Together's*:

'Lent Through A Lens' Photo Competition!

- 1** To take part you'll need a camera (phone cameras are fine) and to complete the '**Lent through a Lens**' entry form.
- 2** Next, be on the look out for something that best represents Lent. It will help to make a list of all the things that come to mind when you think of Lent. Remember that Lent is the old word for Spring. So you could also think of Spring images e.g. snowdrops, buds on trees, chicks, lambs.
- 3** You may need to venture outside to find your Lent images, if so **you must ask a grown-up to be with you.**
- 4** Once you've taken your photo, send it to your teacher. They will decide on your school's winning entries. Your school may send these winning entries to *Mission Together*, to be used in our social media and seen by people around the world!
- 5** This competition is free to enter, but if possible please make a donation to help the world's poorest children. Ask your parents to visit our website missiontogether.org.uk/donate-now/
