5	Livin On A Prayer -	Class Jazz 1	Dancing in the Street
6	Happy -	Class Jazz 2	Music and Me

As part of our larger curriculum plan Music is formally taught in block stages during each term. We are adapting the scheme to meet our own individual needs and have specific Medium Term Plans to ensure this happens. Each unit that has been chosen for our curriculum will have a particular focus. For the Autumn Term we have started with a focus on singing due to the limited opportunities we had to sing together. Our lessons adopt a COVID safe approach appraising music, listening to high quality performances and learning to perform using our voices and instruments". For the Spring we have a focus on instrumentation and composing. The Summer Term will bring both elements together building upon the children's knowledge and skills.
