'Make Your £10 Grow' Challenge

The aim of the challenge is to build a new generation of budding entrepreneurs and build their confidence in managing money.

Each team needed to create a business plan and map out the budget to bring their creation to life - much like any real-life entrepreneur would. The children came up with all sorts of ways to spend their £10 and make a profit. The team that made the biggest profit

are the winners. A total of £208.00 was made, **Congratulations to Nada, Ruby & Rahma in Sycamore Class and Marcus, Aymen, Mahmood, Lucas, Ali & Yu Xiang in Oak Class.**
