# St Anne's Monthly News

Friday 29th September 2022

Jueves 29 de Septiembre de 2023

Welcome Back everyone!

I hope you all had a happy, healthy summer. All the staff here are delighted to be back at work and are looking forward to another happy and successful year working with you and your children. Thank you for sending the children to school on time, looking so smart in the correct uniform. We have only been back four weeks and already school has been full of exciting, creative and enriching activities.

This term promises to be another exciting term at St Anne's!

## Y6 Visit to The Western Approaches

On 7 February 1941, Combined Operations moved to Derby House at Exchange Flags because German aircraft and U-boats were attacking ships travelling in from the continent. The department became known as Western Approaches Command Liverpool subsequently became an important strategic position in the Second World War.

Today, the wartime bunker has been restored to exactly how it used to be and is open to the public as a memorial to those who died to save Britain and the rest of Europe. Visitors can take a step back into history to the original building where the battle was fought and won. Both Y6 classes were able to consolidate their history learning as well as learning much more!

## Pupil Leadership Team

Every year, Y6 children have the opportunity to apply to be part of our Pupil Leadership Team. After many hours of deliberating as a staff and leadership team. I am pleased to announce our Pupil Leadership Team for 2023 is: **Khaleel, Keyrat, Calvin & Katre, Congratulations!**

## Romeo, Romeo, wherefore art thou Romeo?

A big thank you to Mr Johnstone from North Liverpool Academy who delivered a wonderful Shakespeare Roadshow to our Year 5 children

## Maths Party Day

On Friday, we celebrated Maths Party Day. Each class read a book and completed a challenge linked to their book. We enjoyed using our reasoning and problem solving skills to solve problems and puzzles that our teachers had set us. We also had some delicious cakes and juice to help us celebrate along with a maths party playlist!
