Friday 23rd February 2024

Dear Parents/carers,

I hope you all had a lovely half term break, the children certainly all seem refreshed and straight back into their learning this week. We started our week thinking about Lent and focusing upon prayer, doing things differently and stopping/giving up. During Lent we will be taking part in a number of fundraising activities and events and we will send further information out shortly. Thank you also for the kind donations to Asylum Link as part of our community support for Family Fast Day.

Over half term we had some lovely news, Mrs Dade welcomed a baby boy- Colby Stuart Dade who was 8lb, 8oz. I am sure we will get to meet him soon and we send lots of love and best wishes for their future as a family together.

This week we have had Bikeability sessions for our older children and the Peace Foundation have been working with Y5.

Updates/reminders for next week:

Asthma/medication

If your child has a new medical condition/asthma and needs medication please inform the school office ASAP.

Breakfast club

Our new booking system is nearly ready for booking places at Breakfast club a separate letter will be shared about this next week.

Attendance/punctuality

Our Attendance team is working hard to improve school attendance for all children as this does impact on their learning and progress. We do not authorise holidays and you must also keep in touch with school and inform us if your child is absent as it is a safeguarding concern if we have no contact with you. This may result in us doing a home visit.

School Street Safe Project

Please read the information attached regarding a consultation to introduce car-free zone outside our school.

Thank you for your ongoing support

Mrs G Murphy
Head Teacher
