Gift from School

We're excited to share that we've partnered with the Tim Parry Johnathan Ball Foundation, which has been a fantastic opportunity for our school. Our Year 5 and 6 students recently completed the Small Steps for Peace project, focusing on important topics like conflict resolution and cultural understanding. Through this, they've learned how their actions can make a difference in creating peace.

It was a joyous moment seeing all our Year 5 and 6 students proudly graduate as "Peace Ambassadors." They wore their caps and gowns with pride during the ceremony, which Colin and Wendy Parry, the founders of the project, attended. We're incredibly proud of our students for their commitment to spreading peace and understanding. We're grateful to the Tim Parry Johnathan Ball Foundation for this opportunity and look forward to continuing this journey together.

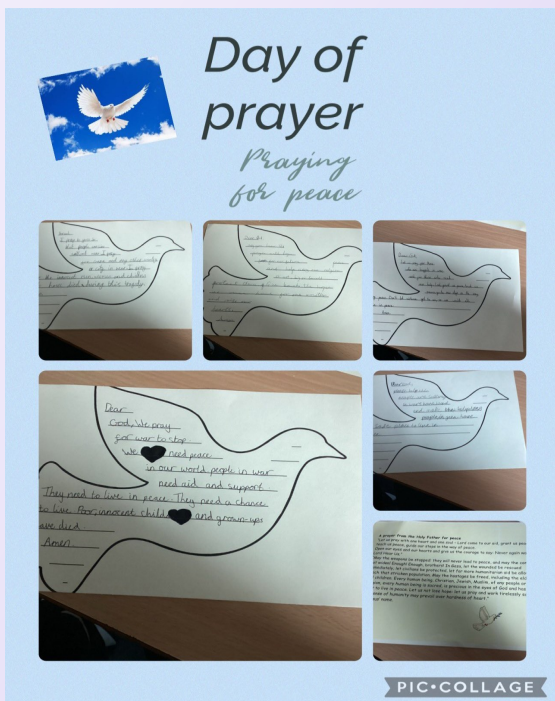

Catholic Life

This month we have focused on our Lenten challenge, Pray, Fast and Give. We took part in Archbishop Malcom's call for prayer and we prayed for peace across the world.

Year 5 and 6 took part in the Stations of the Cross with Father Peter, who encouraged us to focus on acts of kindness.

We are so proud of our children for leading our, Come and Pray sessions with our parents.

Our Year 6 children also made cards for our local community and we hope our Easter message made them smile.

Thank you for joining us on the Big Lent Walk and for your generous donations to CAFOD.
