Y4 visited the World Museum to find out more about mummification! As our history topic is Ancient Egyptians, we learned the process of mummifying a body and their beliefs about the afterlife. We were also able to explore the other floors and found even more information!

# LIVERPOOL SCHOOLS' PARLIAMENT

Our Pupil Leadership Team visited the Town Hall this month for the Schools Parliament session and met with pupils from other schools to discuss how our future could be happier and healthier.

## Happy Eid!

### Celebrating Eid in St Anne's

# Catholic Life Every Day

Our whole school took part in Earth Day. The theme this year is, "Restore our Earth."

Every class wrote pledges for our Earth and we thought about how we can restore our Earth in school and look after the gifts God gave us. Reception organised and led a litter pick around our school.

Year 2 began their journey with the new Religious Curriculum, To Know You More Clearly -they created some beautiful stain glass windows to celebrate the feast of the Ascension.
