in St Anne's**

# Catholic Life Every Day

Year 6 visited the Metropolitan Cathedral for the Advent service, bringing toys to support Nugent's toy appeal. It was a meaningful way to share generosity and celebrate the spirit of the season.

Anna from Mary's Meals visited us and shared insights into the impactful work of the charity. She explained how they provide daily meals to children in schools, helping to combat hunger and support education worldwide.

We made beautiful decorations from dough to support Mary's Meals, combining creativity with a meaningful cause. The proceeds from the decorations will help

provide meals for children in need, making our efforts even more special.
