Dear Parents/Carers,

As we come to the end of another very busy and successful school year, I would like to take this opportunity to thank you all for the support you have given to St Anne's. Your partnership with us this year has allowed us to do the very best for your children.

We have celebrated many achievements this year – from sporting events and school performances to excellent Y6 SATs results and individual pupil progress. It has been a pleasure to welcome a wide range of visitors into school to enrich our curriculum, and we have also been fortunate to offer a variety of trips and visits.

We received our CSI RE Inspection report this week and are absolutely delighted with the feedback. The report truly reflects our school in a positive and authentic light, showing just how special St Anne's is. We are incredibly proud of our children, staff, and families who make up our wonderful school community – well done to everyone! We have also achieved re-accreditation of the Inclusion Quality Mark, a testament to the dedication and hard work of our entire school staff team.

During this final week, it has been a great privilege to present certificates and prizes for excellent work, attitude, behaviour, and attendance. All of our children have been wonderful and have continued to develop their individual skills and talents – from our youngest taking their first swimming strokes, to our confident readers, mathematicians, creative writers and artists throughout the school.

### IMPORTANT DATES FOR AUTUMN TERM:

- School re-opens on **Tuesday 2nd September** for children from Y1- Y6 at normal opening time of 8.40am.
- Nursery will open for continuing children on **Tuesday 2nd September** (new children will be given an individual start date)
- Our new Reception children will join us from **Tuesday 2nd September onwards**- times have been sent out.

A full list of school dates for the 2025/2026 academic year was sent out last week and this is available on our school website.

The children will come back in full school uniform in September, it helps the children to foster a sense of belonging and enhances the tone and atmosphere in our school. Full details of our school uniform was also sent out to parents last week, along with recommended suppliers. Please make sure that you label all items of clothing for school and note that we do not take responsibility for any items that are lost in school.

Children **do not** need pencil cases, pens, pencils in school as these take up a lot of space on their desks and we have plenty of writing/drawing materials to use. They do need a **small water bottle** with their name on, this must not be bigger than **500ml size**, again due to space in the classroom.

**Summer holiday challenges:** Please visit the local libraries to loan books to read at home and also to take part in their summer holiday activities and challenges. I also set a challenge for all children which will help us all at school- please teach your child how to fasten their shoe laces if they are wearing lace up shoes to school. This is an important life skill!!

We say a huge thank you to Miss Brown, who will be leaving us today, we send our huge thanks for all her hard work and wish her lots of luck and happiness in her new teaching post. We also say goodbye to all of our Year 6 pupils as they move on to their new secondary schools we look forward to hearing about their many achievements and future successes.

Finally, I would like to thank everyone (teachers, all support staff, volunteers and, of course, parents!) who have supported our children in so many ways this year. They are the future, and it is up to us all as the important adults in their lives to make sure that they have the best possible chance for success and happiness.

I look forward to welcoming all children and our staff team, refreshed and ready for the new opportunities 2025-2026 will bring when we return to school in September and hope you all enjoy a restful holiday.

**REMINDER:** School closes tomorrow at the following times:

Reception	12.45

**We love, we learn  
and we grow  
together.**

Dear God our Father,

Thank you for the kind and loving community at St. Anne's. Help us to welcome, respect and value each other and take care of our world. Guide us in all we think, say and do. Give us strength to love, learn and grow together with Jesus.

Amen
