Friday 5th September 2025

Dear Parents/carers,

A huge thank you to all our families for a lovely start to the new school year! The children all look very smart and ready to learn, they have all really enjoyed their first few days in their new classes. A warm welcome also to our Reception and new to school families. Our Reception children have all enjoyed their first school lunch and we look forward to seeing them all on Monday for their first full day.

We started our new school year with our whole school prayer assembly together thinking about welcoming others and how we invite others to join our school family. We are a welcoming place for every child and our school values guide us in supporting all families.

We are in the process of planning our term dates and events for Autumn along with our after-school club offer. This information will be shared shortly with you all.

Reminders:

Shoe laces: If your child wears shoes with laces can you please make sure they are able to fasten them or you are learning how to do this at home.

Breakfast Club will be available again on a limited basis for working parents and carers. Attendance must be booked at least one week in advance. The club will continue to operate in the junior building, with both children and parents required to enter through the main reception entrance. Upon arrival, please press the doorbell at the main reception and wait for a member of the Breakfast Club staff to assist you before entering. The club will open at 8:00 AM and close promptly at 8:30 AM. We kindly request a **£1 donation** for this valuable service. Your cooperation in helping us maintain a safe and efficient environment is greatly appreciated. We aim to reintroduce some of our extra-curricular clubs over the coming weeks and will send further information out to you in the near future.

Mobile phones: NO mobile phones on our school site and grounds please.

Up to date contacts: please ensure if you have changed your mobile phone number that we have up-to-date contact details should we need to contact you during the school day. We also need an additional contact in case we are unable to contact you, this is very important in an emergency.

School dinner monies: These must be paid in advance for children Y3 upwards who are not entitled to FSM. You will be contacted if you have any outstanding arrears from last term that need to be settled.

Attendance and punctuality- We expect all children to attend school every day from Nursery to Y6. In order for children not to miss out on key learning they must be on time as lessons start as soon as the children enter the building. We will continue to contact you if your child is absent for a reason for absence and a date of return as part of our daily safeguarding duties.

Thank you for your continued support

Mrs G Murphy

Head Teacher
