# Catholic Life Every Day

We've had a wonderful start to the school year, coming together as a whole school community to reflect on our Gospel values during our worships. These special times of prayer and reflection have helped us focus on how we can live out our values - such as kindness, compassion, respect, and service - in everything we do, both in and outside the classroom. It's been inspiring to see pupils and staff alike embracing these values and thinking about the ways they can make a positive difference each day.

Year 6 had a special visit from Father Peter, who spent time sharing his wisdom and encouragement with our oldest pupils. He spoke to them about the importance of leadership, responsibility, and setting a good example for the rest of the school. His message about living faithfully and with courage as they prepare for their final year here really resonated with the children, and we are grateful for his ongoing support and presence in our school life.

non-perishable food items to support those in need. Your generous contributions will make a real difference to people in our wider community, helping us live out our Gospel value of service in a very practical and meaningful way.

Thank you in advance for your support

As we look ahead to Harvest, we are supporting CAFOD's "Brighten Up" campaign, with all food donations going to Asylum Link.
