Receptions Visit to Pets At Home

Chinese New Year

We were very lucky to have the Liverpool Hung Gar Kung Fu Club perform for us again as part of our celebrations for the Chinese New Year.

There was an article recently published on the BBC News website telling the story of Liverpool Hung Gar Kung Fu Club - in a small restaurant in Liverpool's Chinatown in 1975, tables and chairs were pushed to one side to clear space for Jimmy Chan, Master Jimmy Chan moved from Hong Kong to Liverpool in 1965.

He had been working in the city's factories and casinos since arriving off the boat from Hong Kong ten years earlier, but at that moment, this "mean-looking, muscular" man was ready to realise a dream he had since the age of 8, and start teaching Kung-Fu.

That year, in that small restaurant, Master Jimmy Chan founded Liverpool Hung Gar Kung Fu Club, which continues to teach the martial art to children and adults to this day. More than 120 people are part of the club, which leads Chinese New Year celebrations in Liverpool and holds regular Kung-Fu display shows in schools in the city.

Catholic Life Every Day

We were honoured to welcome **Bishop Tom Neylon** to our school recently. During his visit, he spent time with our students and staff, taking in the vibrant spirit of our school community. It was a wonderful opportunity to share our mission and values with him, and to reflect on the faith and dedication that guide our daily learning.

We are excited to invite all families and community members to **join us for the Big Lent Walk**. These events help bring our mission to life, fostering kindness, solidarity, and a spirit of inclusivity. Together, we continue to live out our values and celebrate the richness of our shared community during this special season.

We ask our children and families for £1 donation for this very worthy cause.
