Friday 6th February 2026

We are coming to the end of our Spring 1 half term. Children will finish at their normal time on Thursday 12th February, and clubs will continue as normal next week.

This week, the children have been focusing on standing up against what is wrong, using love and kindness. We have talked about forgiveness and how we can sometimes change our ways for the better.

Our Phonics Workshop took place today and was very well attended. We are so pleased to see so many parents and carers keen to support their child's phonics learning at home. Thank you to those who attended – we hope you found the session useful in supporting your child with their learning.

Next week is Children's Mental Health Week, with the theme 'This Is My Place'. For children, this means feeling like they belong – to their family, school, friendship groups or teams. These positive experiences help children feel connected, valued and accepted. When children feel a sense of belonging, they feel happy, safe and ready to learn and play. This supports their emotional wellbeing and helps them grow in confidence, friendships and learning.

The poor in spirit are blessed, for the kingdom of heaven is theirs. 	Those who mourn are blessed, for they will be comforted. 	The gentle are blessed, for they will inherit the earth. 	Those who hunger and thirst for righteousness are blessed, for they will be filled. 
The merciful are blessed, for they will be shown mercy. 	The pure in heart are blessed, for they will see God. 	The peacemakers are blessed, for they will be called sons of God. 	Those who are persecuted for righteousness are blessed, for the kingdom of heaven is theirs.
