Dear Parents/carers,

We are quickly approaching the end of our Spring term; the children have all been working so hard and I am sure will be looking forward to a rest during the Easter break! We have had a busy week too, with our Y6 children going to Keppleway for their residential which was a wonderful experience for them all- it was very wet but all children fully embraced the elements and had a memorable time. A huge thank you to Mrs Kilbride, Miss Jones and Mr Bestwick for giving their time to ensure all children enjoyed their trip.

Well done to Y2 Willow class for leading our POW assembly, it is always so lovely to see how confident our younger children are and hear about what they have been learning over this term.

Thank you also to everyone who helped and attended the Eid celebration on Wednesday, again there was a real sense of community and warmth, with so many lovely dishes to enjoy too!

We have received our recent Ofsted report in draft form and are awaiting the final report so we can share it with you all, we are delighted with it!

We are moving over to Instagram as our social media channel over the coming weeks, please follow us at [stannescatholicprimary](https://www.instagram.com/stannescatholicprimary)

Reminders:

As part of our upcoming Big Lent Walk on 1st April, we would love the children to create an Easter bonnet at home. This is a lovely opportunity to spend some time together and reflect on the joy and meaning of Easter. Please feel free to be as creative as you like—bonnets can be decorated with bright colours, flowers, symbols of new life, or anything that celebrates the season.

We will end the term with an Easter Raffle and raffle tickets are on sale during the school day to the children (50p per ticket).

Respectful driving and parking: You must not block resident's driveways or park in the restricted areas, please also remember we do have a school code of conduct that we expect all children and adults to follow 'Be Ready, Be Respectful, Be Safe'.

Packed lunches: We encourage all families who send packed lunches in for their children to limit items that are high in sugar or fat, such as sweets, chocolate bars and fizzy drinks, as these can affect children's concentration and energy levels. This will help us to promote healthy habits for all of our children.
