Friday 17th April 2026

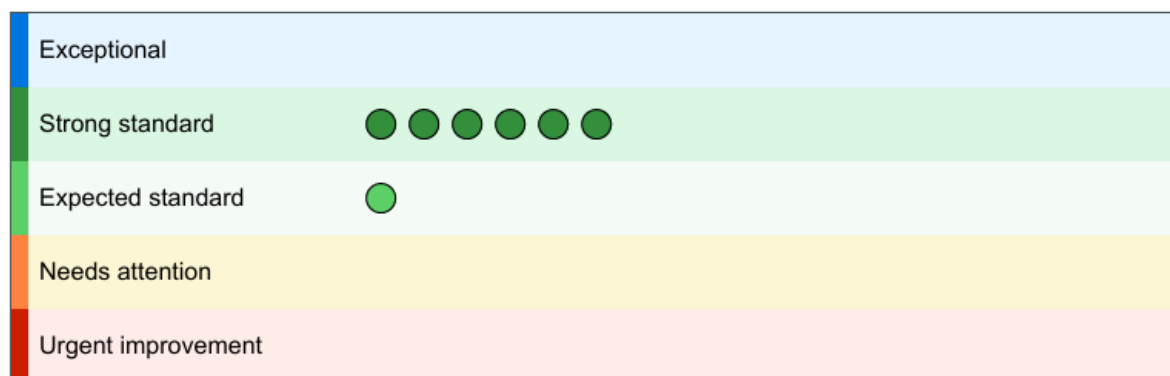

Dear Parents/carers,

I hope you all had a lovely Easter break? The children certainly have returned rested and ready for their Summer term of learning. We have even had two days of 100% attendance this week for the whole school!

Today, we said a sad goodbye to Mrs Downes, she leaves us to join a new school in Warrington closer to home. We wish her lots of luck and happiness in her new role, we send her on her new adventures with huge thanks for all her hard work over the 17 years she has been part of our school family. The children showed this gratitude in our whole school POW assembly today with lovely cards, gifts, prayers, a poem and a personalised song. Thank you, Mrs Downes.

A huge well done to all of our school family on our recent Ofsted report, we are all extremely proud of our outcomes and the report card grades.

Inspection report: 10 February 2026

We have collated our feedback into a short booklet which we attach with this letter, this will be shared with future parents.

A huge thank you too for your fundraising efforts at the end of term we raised £232.32 from our Easter raffle. We will be using some of this to continue to develop our playground resources and environment.

Reminders:

After school clubs: These are available to book from the Arbor app and are limited to one club per child. These clubs are all free and I thank our staff for giving up their time to organise and run these for our children.

Reception places for September 2026: We do still have a few places for this September and have planned our transition events for this term for our new families. If you know of anyone wanting to join our lovely school please direct them to our school office.

Summer term dates: These will be sent our ASAP so you can plan your diaries and availability to attend events until the end of this term.

School Streets: The driving restrictions will be live from Monday 27th April.

Thank you as always for your support and kindness

Mrs G Murphy

Head Teacher
