Friday 8th May 2026

Dear Parents/carers,

I hope you enjoyed the long bank holiday! This has been another busy week and there has been a lovely atmosphere around school as the children continue to work hard and enjoy their learning together. Our Year 5 children have also enjoyed taking part in their Bikeability cycling lessons this week, developing both their confidence and road safety skills.

As SATs week begins, we want to remind you how proud we are of all our Year 6 children for their hard work, resilience and determination. Your encouragement and support at home does make such a difference — together, we can help the children approach the week with confidence, calmness and a positive mindset. Most importantly, we remind our children that SATs are only one small part of their journey; we value the whole child and their personal development just as much as academic achievement. Their kindness, creativity, character and effort are what truly make them special.

Reminders:

Reception places for September 2026: We do still have a few places for this September and have planned our transition events for this term for our new families. If you know of anyone wanting to join our lovely school please direct them to our school office.
