Dear Parents/carers,

Welcome back everyone, I hope you had a lovely break. The children are all happy to be back and settled into their classes for the final half term of the year. We have lots of diary events happening so please keep an eye on the dates/emails/Arbor messages.

Our Y6 children have taken part in a Liverpool Biennial project this week looking at portraits, photography and artwork and Y4 went to visit the World Museum as part of their history work. Our Y1 children have taken their Phonics Screening checks and Y4 have completed their Multiplication checks so it has been a busy start to the half term. Thank you for your donations towards the Love Jasmine charity, it was wonderful to see so many showing their support by wearing yellow today.

Journey in Love: Next week we will be completing our **RSHE** scheme of work, information regarding this was sent out to all families, if you do not want your child to take part you must inform the school office or one of our Leadership team.

Reminders:

Reception places for September 2026: We do still have a few places for this September and have planned our transition events for this term for our new families. If you know of anyone wanting to join our lovely school please direct them to our school office. We will be welcoming our new families in for meetings next Wednesday.

Nursery hours: Our new Nursey hours will be starting in September and we ask that you share this information with your friends and family as we do have spaces available.
