Dear parents/carers,

As we fast approach the end of this half term I would like to thank you for supporting with walking to school more. This is really beginning to impact positively with less traffic around our school area. This week our Y6 children took part in their SATs papers, a huge thank you and well done to all of our children for tackling these with positivity and doing their very best each day. A big thanks to all our Y6 staff and our school team for their hard work and commitment.

We have had a number of local area visits this week with some of our classes, thank you to our volunteers who came to support with this.

Reminders:

Nursery and Reception places for September 2026: We do still have a few places for this September and have planned our transition events for this term for our new families. If you know of anyone wanting to join our lovely school please direct them to our school office.

Mobile phones: Older children are only allowed to bring a phone if they are walking home alone. These must be switched off and taken straight to the office daily.

Tesco Stronger Starts: Please vote for our project in the local Tesco stores to help us develop our garden area.

Lost property: We have placed the lost property rail outside the main office, please make sure you label all of your child's school uniform.

First Holy Communions:

A group of our children will be making their First Holy Communion tomorrow at 11:00am at St. Anne's church, thank you in advance to our choir members who are joining us to make this a special day.
