Friday 19th June 2026

Dear Parents/carers,

We started our week with a beautiful Holy Communion celebration assembly, and our Y4 and Y5 children enjoyed some cake and refreshments with our visitors. It was lovely to see all of our children reflecting together on how we can strengthen our relationship with God through the Eucharist. The week has been such a busy one, we have had the RNLI Lifeguards talk to all of our KS2 children about water safety, we also welcomed our new Reception families to our school family. Yesterday, we also welcomed members of the local and wider community to talk to the children about careers and inspire our Y6 pupils for their futures. A huge thank you to our volunteers and everyone for helping with all of these events.

As part of our community links, a small group of Y6 children attended the Grove Street phase 1 opening ceremony and were able to meet members of the local council and share this event. As a whole school, the children have been thinking about the theme of 'Courage' as part of Refugee week, they have been taking part in a number of activities in class, please ask your child about this.

Reminders:

Reception places for September 2026: We do still have a few places for this September and have planned our transition events for this term for our new families. If you know of anyone wanting to join our lovely school please direct them to our school office. We will be welcoming our new families in for meetings next Wednesday.

Our new Nursery hours will be starting in September and we ask that you share this information with your friends and family as we do have spaces available.
