Dear Parents/Carers,

As we come to the end of another very busy and successful school year, I would like to take this opportunity to thank you all for the support you have given to St Anne's over this past year, so we have been able to do the very best for your children.

We have celebrated a range of achievements this year including – a very successful Ofsted report, Inclusion Quality Mark re-accreditation, our many performances, our Y6 SAT's results, our children's individual pupil progress and it has been so nice to welcome a large number of visitors into school to enrich our school curriculum, these visitors always comment on the high standards of behaviour, communication and manners from all of our children.

During this final week, it has been a such an honour to present certificates and prizes for excellent work and attitude, behaviour and attendance. All of our children have been wonderful and have been able to develop their individual skills and talents; from our youngest children taking their first swimming strokes, to our excellent readers, mathematicians and creative writers and artists throughout school.

IMPORTANT DATES FOR AUTUMN TERM:

- School re-opens on **Wednesday 2nd September** for children from Y1- Y6 at normal opening time of 8.40am.
- Nursery will open for continuing children on **Wednesday 2nd September** (new children will be given an individual start date)
- Our new Reception children will join us from **Wednesday 2nd September onwards**, times have been sent out.

A full list of school dates for the 2026/2027 academic year was sent out last week and this is available on our school website.

The children should return to school in full school uniform in September, this helps the children to foster a sense of belonging and enhances the tone and atmosphere in our school. Full details of our school uniform were also sent out to parents last week, along with were to purchase uniform items. Please make sure that you label all items of clothing for school with your child's name and note that we do not take responsibility for any items that are lost in school.

Children **do not** need pencil cases, pens, pencils in school as these take up a lot of space on their desks and we have plenty of writing/drawing materials to use. They do need a **small water bottle** with their name on, this must not be bigger than **500ml size**, again due to space in the classroom.

We say a huge thank you to Miss Jones (Y1 LSA), who will be leaving us today, we send our huge thanks for all her hard work and wish her lots of luck and happiness in her future role. We also thank Mr Atkinson (Y5 teacher) who has been with us in Spring and Summer term, we thank him for his hard work and wish him well in his new teaching roles in September.

We also say goodbye to all of our Year 6 pupils as they move on to their new secondary schools, we look forward to hearing about their many achievements and future successes.

Finally, I would like to thank everyone, teachers, all support staff, volunteers and, of course, parents! who have supported our children in so many ways this year. They are the future, and it is up to us all as the important adults in their lives to make sure that they have the best possible chance for success and happiness.

I look forward to welcoming all children and our staff team, refreshed and ready for the new opportunities 2026-2027 will bring when we return to school in September and hope you all enjoy a restful holiday.

together.**

Dear God our Father,

Thank you for the kind and loving community at St. Anne's. Help us to welcome, respect and value each other and take care of our world. Guide us in all we think, say and do. Give us strength to love, learn and grow together with Jesus.

Amen
