Friday 3<sup>rd</sup> July 2026

Dear Parents/carers,

This week we have been thinking about the special saints, St Peter and St Paul and their important role in the church, we have been thinking about how we can communicate with others and build strength as a community.

The children have had another busy week as we approach the end of the school year. They have all been able to spend time with their new teachers, in their new classes! Some of our classes have also enjoyed time with Miss McCann in our Forest school, a big well done also, to Y1 class for leading our POW assembly today, they were amazing!

Please check our dates until the end of term, if you would like to attend our St Anne's Breakfast on Monday morning 8:15am please come along and stay with your child to take part in our craft session. The children will then go straight into class.

### Reminders:

**Reception places for September 2026:** We do still have a few places for this September and have planned our transition events for this term for our new families. If you know of anyone wanting to join our lovely school please direct them to our school office. We will be welcoming our new families in for meetings next Wednesday.

Our new Nursery hours will be starting in September and we ask that you share this information with your friends and family as we do have spaces available.

## Upcoming Events
