As September draws to a close, we can hardly believe that our first month of the Autumn Term is already coming to an end! It has been a busy, exciting and incredibly productive month. Throughout the month, the children have been busy learning, exploring and developing their skills in so many wonderful ways. It has been fantastic to see their enthusiasm, confidence and curiosity shine through as they settle into their new routines and embrace all the opportunities that this term has to offer. We are looking forward to a wonderful Autumn Term filled with learning, laughter and lots of exciting opportunities!

Reception Welcome Assembly

On Friday, we had the pleasure of officially welcoming our new Reception children and their families to St Anne's during our whole-school assembly.

We are so grateful for the trust you have placed in us and feel incredibly lucky to be sharing this exciting new chapter with you and your children. We hope that St Anne's quickly feels like a second home — a place where your children feel happy, safe, loved and encouraged to shine.

Thank you for joining us and for being such an important part of our wonderful school family. We are so excited for all the memories we will make together!

Year 3 Best Day Ever Trip to Formby Beach

Last week, Year 3 Willow Class spent the day exploring and enjoying nature at Formby Beach!

Armed with our maps 🗺️, we explored the forest and spotted lots of interesting things along the way, including different coloured pinecones and even a wild mushroom!

We collected sticks to practise our coordination skills and worked together in teams to build a bridge across the swamp!

The wind didn't stop us from climbing the sand dunes, where we were rewarded with a beautiful view of the sea from the top!

Every shoe was filled with sand, but every child had a smile on their face — truly the best day ever! ❤️

A special thank you to Rob from Best Day Ever, who led our trip, showed us the way and taught us lots of interesting facts about the forest.

Many thanks also to our wonderful St Anne's staff — Miss Tully, Miss Nagi, Mrs Murphy, Miss Jones and Paula — for helping to keep everyone happy, safe and smiling throughout the day! ❤️

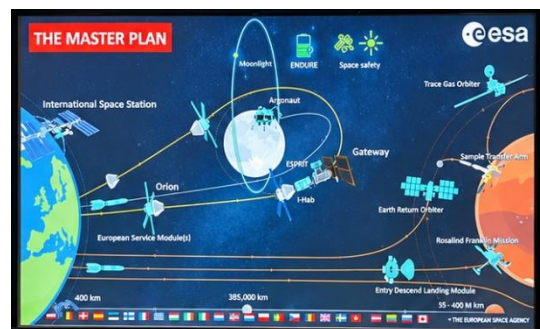

Year 5 blasts off to the University of Liverpool!

Last week, Year 5 had an out-of-this-world experience at the **University of Liverpool Space Outreach Day & Campus Visit!**

The children enjoyed fascinating talks and interactive workshops with leading figures from the space sector and industry, discovering more about space, science and the exciting opportunities within the industry.

And the highlight? **They even got to meet an astronaut!** 🧑🚀

What an incredible day of learning, exploration and inspiration. Who knows... we might have some future astronauts, engineers or space scientists among us!

Flu Immunisations will take place in school on Friday 9th October. Please remember to complete the consent form either **accepting** or **declining** the vaccine for your child by using the link below:

Wishing Mrs Dowd All the Best!

Mrs Dowd left us this month to begin her maternity leave and get ready to welcome her new baby.

We hope she enjoys this very special time with her family and wish her lots of happiness, love and precious moments as they prepare for their exciting new arrival.

We will be sure to let you know when the new baby arrives!
Good luck, Mrs Dowd — we'll miss you and look forward to hearing your wonderful news!

Cooking with Food for Thought

We were delighted to welcome the wonderful cooking coaches from Food for Thought into school on Wednesday 30th September for a fun and exciting cooking experience with our Year 2 and Year 4 pupils. The children rolled up their sleeves and got stuck in, preparing two delicious and nutritious dishes: a tasty vegetable Spanish stew and Kuku Paka, a traditional African chicken curry. From chopping and mixing to cooking and tasting, the children had the opportunity to be involved in every step of the process.

It was fantastic to see their enthusiasm as they explored new ingredients, discovered different flavours and developed their practical cooking skills. The session also gave the children a wonderful opportunity to learn about different cultures and traditions through the joy of food. Most importantly, the children had great fun! There were plenty of smiles, lots of excitement and, of course, some very proud chefs enjoying the dishes they had created themselves.

A huge thank you to the Food for Thought team for providing such an engaging, hands-on and enriching experience.

During the Season of Creation, the children have been thinking about the wonderful world God has given us and the important part we all play in caring for it. They have been sharing their ideas about how we can protect God's creation, from

reducing waste and recycling to looking after plants, animals and our local environment. It has been lovely to see the children considering small changes they can make each day to help care for our common home.

As part of our Brighten Up for Harvest appeal, we would be very grateful for donations of canned or dry food to be brought into school on 06/10/26 during our Harvest Week. These donations will help support people and families in our local community who may be experiencing difficult times. Every contribution, however big or small, can make a real difference. Thank you for helping us to share the spirit of kindness, generosity and thankfulness this Harvest.
